### **GENETEC** **Clinton CSD**

Syracuse Time & Alarm Co., Inc. recently installed a **Genetec Access Control System** at the **Clinton CSD** in Clinton, NY.

Making the change from locks and keys to an IP access control system has helped Clinton CSD have a tighter control over who enters their buildings, ensuring the safety of their students and staff.

**"I am so pleased with our new Genetec system. The installation, STA training, and your technicians (Rob & Ted) were very professional. It was the best decision I could have made."** *-Ryan McCoy-Clinton Central School*

# Genetec

Genetec is a global provider of IP video surveillance, access control and license plate recognition solutions unified in a single platform, called Security Center. They work with partners on six continents to help provide safer, more secure environments for

small to medium-sized and enterprise-class businesses in over 80 countries!

## How Can This System Help YOUR Facility?

Whether you need to secure a large, multi-site facility, or a smaller installation with a few doors, **Genetec's Synergis** has the flexibility needed to adapt to your security environment. The system is designed to scale as your operations grow, while always providing you the freedom to choose from leading open access control hardware.

Features include unified access control and video, threat level management, flexible reporting, badge design and printing, federation, global cardholder management, and built-in visitor management.

Contact us for more information on how you can make your facility safer with this state-of-the-art system!
